

**GENERAL PLAN EVENT: NOVEMBER 14 - 16, 2019**

## Join Us for the General Plan Update Planning & Design Workshops

The City of Pleasant Hill will be hosting three days of planning and design workshops as part of the 2040 General Plan Update. The goal of the workshops is to bring community members, planners, and City staff together to develop a range of alternatives to address future housing, economic development, transportation, and other community needs. This is also an opportunity to learn about the Update, discuss your ideas, and share your vision for the future of Pleasant Hill.

Over the three days, we will focus on different aspects of the process. Each day will include an **Open House** session where you can drop by to learn about the General Plan Update, review community input received, and add your thoughts. Each day will also have an **Activity** where you can work with planners and other community members to help shape the land use alternatives. There will also be a **presentation** to highlight takeaways from previous events and next steps.

**LOCATION:** City Hall, Community Rooms, 100 Gregory Lane

	Thursday (11/14) <b>Background and Visioning</b>	Friday (11/15) <b>Land Use Alternatives</b>	Saturday (11/16) <b>Looking Forward</b>
